

Competitors Bulletin
October 26, 2009

The Southwest RallyCup Series entered Rolston Rallye de Paris as part of the 2009 series calendar to help and support this valuable regional event. If you are registered in the Rally America Southwest Region and/or coming from other areas of the country to enter this event; we like to show our appreciation by giving out a \$200.00 series contingency prize fund for 1st place winners in each class.

We exempted the series rule for this event only to help out this event to get entries by allowing all participants to possibly receive any contingency prize money if they are 1st place winner in your class.

Also the series has exempted for all participants to have to have the series car stickers.

The event organizers will present the prize funds out accordingly for the series.

I like to thank you for entering and supporting this event. Enjoy and good luck. We hope to see you at any of the 2010 Southwest RallyCup series events.

Denise McMahon
Series Director
